### MESSAGE FROM MANAGING DIRECTOR OF DR. SARDJITO GENERAL HOSPITAL

Assalamu'alaikum Wr. Wb., Greetings of Peace for us all, Shalom, Om Swastyastu, Namo Buddhaya, Greetings of Virtue.

Dear healthcare professionals in Indonesia,

The world is experiencing rapid changes in technology, communication and disease pattern, and we need to keep up with these changes to provide the best possible care to our patients. This symposium is a great opportunity to exchange knowledge and expertise in emergency care and discuss innovative approaches to emerging challenges.

We understand the importance of timely and effective medical care during emergencies, which is why it is imperative that we collaborate, share knowledge, and implement best practices to provide the highest standards in emergency medical services.

Join us at "1st SARDJITO HOSPITAL ANNUAL EMERGENCY CONFERENCE (SHARE) 2023". We will invite the Minister of Health of the Republic of Indonesia, Ir. Budi Gunadi Sadikin, CHFC, CLU, and Directorate General of Health Services-Ministry of Health Republic of Indonesia dr. Azhar Jaya, SKM., MARS, as keynote speakers in one of our events.

We are committed to making this year's event engaging, informative, and enjoyable for all of our attendees. We hope that you will leave with new insights, new relationships, and new inspiration to continue to provide the best possible care to our patients.

Wassalamua'laikum Wr. Wb.

dr. Eniarti, M.Sc., Sp.KJ, M.M.R.

### MESSAGE FROM CHAIRMAN OF COMMITTEE AND HEAD OF EMERGENCY DEPARTMENT DR. SARDJITO GENERAL HOSPITAL

Assalamu'alaikum Wr. Wb.,

Dear Colleagues,

As the Chairman of Committee, I would like to extend a warm welcome to each and every one of you to the 1st Sardjito Hospital Annual Emergency Conference (1st SHARE). This events contents of activities consisting of several activities such as a Pre-symposium Workshop, a Symposium (Live Webinar), an Emergency Team Competition, a Call for Poster and other events. The main events will take place from October 9-13, 2023, in Yogyakarta.

Dr. Sardjito General Hospital understands that every second is valuable in an emergency. With standardized care and patient priority that matches the case, the hospital can provide better service and faster response time.

We expect the support and participation all of you as colleagues of healthcare professionals throughout Indonesia, especially those who work in emergency units making these events a success, optimal, and standardized emergency services. We'll invite exceptional line-up of speakers, covering a diverse range of emergency specialties, to share the latest knowledge based on evidence related to emergency department services with the best standards and patient safety oriented.

So, with great pleasure and excitement, I welcome each one of you to our 1st SHARE and hope participants will update on knowledge, concepts, and practices of emergency service.

Thankyou.

Wassalamua'laikum Wr. Wb.

dr. Bowo Adiyanto, M.Sc, Sp.An-Tl,Subsp.T.I. (K)
